

THE INTERFAITH COUNCIL OF CONTRA COSTA COUNTY PRESENTS:

The Making a Difference Awards

We know how much each congregation – and their members – contribute to the work of Interfaith understanding. We would not be able to do our work together without each and every one of them. So for the second year, as we prepare for the Annual Meeting on November 3rd, we ask each congregation and agency of the Council to nominate their own “Making a Difference” honoree, who will be honored with a printed Certificate, and on our website.

Last year, the Elected Council of the ICCCC established a two-tiered recognition program called “**Making a Difference.**” We invite all of our member congregations and agencies to nominate a person of excellence whose service to the interfaith community (in leadership, service, encouragement, and/or participation) is “Making a Difference” within and outside your particular congregation or agency. *(Please offer new individuals as nominees this year if you sent nominations last year. Please help us honor those less known. Elected Council members already receive all of the thanks that they need.)*

We invite all congregations and agencies connected with ICCCC to submit the name, contact information and a short paragraph describing the service of their nominee. We will recognize all nominees in a list of names and congregation/agency on our website and on our mailed newsletter. Submissions will need to be received by Monday, October 14th.

A sub-committee of the Elected Council will make a recommendation of which individual will receive the Annual ICCCC “*Making a Difference Award*” of the whole Interfaith Council at our Annual Meeting on Sunday, November 3rd at Lafayette-Orinda Presbyterian Church (49 Knox Dr., Lafayette). The evening begins with a true potluck begins at 6:00 pm, and the main event begins at 7:00 pm. We hope all our “Difference Makers” will be able to be in attendance to receive their awards.

Please send your nominees to eye4cee@gmail.com.
