

Multi-Faith ACTION Coalition:

(Advocates & Communities Taking Initiative for Our Neighbors)

"We are a Multi-faith coalition of Contra Costa County residents working together to address the root causes of poverty through advocacy and public policy change. Our shared values and our experiences as faith groups providing food, shelter and other services make us strong voices for those in need."

Our Advocacy Task Forces will give Reports from the Shelter & Housing, Food Security, Jobs, Health and Education task forces.

Sunday, May 18th at 3:00 pm at Christ the King Catholic Parish (199 Brandon Rd., Pleasant Hill)

We have 6 task forces doing the research and making the connections that will be making presentations on how we in the faith community can best advocate to

address poverty in the county. We are pleased that Rabbi Michael Lerner, of Beit Tikkun Community in Berkeley, Tikkun Magazine and the Network of Spiritual Progressives will be there to share his wisdom on how to advocate from a faith perspective for "A New Bottom Line."

"Instead of a bottom-line based on money and power, we need a new bottom-line that judges corporations, governments, schools, public institutions, and social practices as efficient, rational and productive not only to the extent they maximize money and power, but to the extent they maximize love and caring, ethical and ecological sensitivity, and our capacity to respond with awe and wonder at the grandeur of creation."
